TCS RELAYS
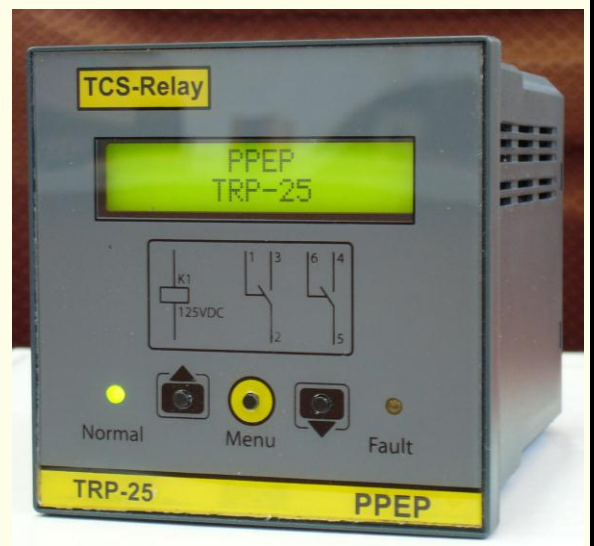

Trip Circuit Supervision Relays

⇨ **TRP-10**
⇨ **TRP-20**
⇨ **TRP-25**

PPEP/TCS Relays Type List

Model	TRP-10	TRP-20	TRP-25
Functions			
Constant supervision current	■	■	■
Front LED indicator (Normal & Fault)	■	■	■
Front digital LCD indicator			
Front characteristic LCD (2 x 16) indicator with backlight		■	■
Display			
Number of faults		■	
Number of open-close circuit breaker with date & time			■
Number of open-close C.B. and Number of faults with date & time			■
Menu			
Backlight *Com setting(1)* *Date & Time Setting(1)* *Operate delay* *Password* *Report(1)* *Reset* *Setpoint(1)*		■	■
Outputs			
Alarm relay (DPDT) for fault & DC cutoff	1	1	1
Remote control relay (SPDT) for C.B. open and close			2
Programmable Setpoint			
Digital relay output alarm for count of circuit breaker open-close			1
Recording			
Standard memory capacity			300kB
Number of open-close circuit breaker with date & time			■
Number of faults with date & time			■
Communications			
RS485			■
Software			
English / Farsi software for Management, Monitoring and Report			■

(1): Only for TRP-25 model.
